

Your Small Savings Will Buy a Lot in Section "C," Colonial Place--- Opening Sale Day, Monday, September 29th.

Independence has been gained and fortunes made by buying lots from us in the West End. The Bunting-McNeal Company have given Richmond Real Estate Purchasers better value for less outlay than any other company, and in this respect

Section "C," Colonial Place

surpasses all previous offerings. It is positively the biggest value obtainable in Richmond suburban real estate.

Lots bought in SECTION "C" constitute a paying investment from the start. The property will keep growing in value as the population of the city increases—in fact, we venture to say that before the entire section is sold, first purchasers will see an increased value on their holdings. SECTION "C" will prove to be another sensation, the same as other West End property sold by the Bunting-McNeal Company.

Section "C" Colonial Place,

lots offer the best values in West End Real Estate to day. No other property is in its class, considering the low prices and the easy terms. Boiled down, the facts of the matter are—the Bunting-McNeal Company are selling lots in Section "C" at prices 50 per cent lower than those charged for nearby property less desirable from every standpoint.

A fact of tremendous importance to every investor is the matter of terms. Ours are \$10 down and \$5 monthly, with

No Taxes and No Interest Until Entire Amount of Purchase Has Been Paid

This means much to you, as the absence of taxes and interest relieves you of a steady drain upon your savings and enables you to easily make the payments as they come due.

No man has ever lost money on a proposition fostered by us. You are missing one of the best opportunities ever offered if you are not on hand next Monday, September 29th, when the sale takes place. Call, write or phone for additional information.

SPIDERS TO MEET BLUES TO-MORROW

Broad Street Park will be turned into a battlefield to-morrow afternoon promptly at 3:30 o'clock, at which time Richmond College and the Blues will rush at each other, trying to defend their standards.

The college boys, led by Coach Dobson, have been turned into one of the best teams that ever marched on a gridiron to defend the Richmond College colors. There are, for example, "Rock" King, one of the fastest back field men in Virginia, and Coburn and Wicker, also back field men. Wicker, who played with a prep school team in 1912, and who did not show to any advantage, is expected to play a great game for the Spiders to-morrow. Then there are Jones and Privott, ends, who are fast and sure tacklers. The whole thing in a nutshell is, that Richmond College has a team that she might well be proud of, and they expect to put it on the Blues.

The Blues are made up of heavy material, and have had good practice, and will go in the game with a determination to win the game. The Blues will be a little weakened through the loss of "Rock" King, who usually plays with them, but who will play with the college eleven. Captain Walker will also be absent, as he will play with the Medical College at Lexington.

By the loss of these two men a crimp will be put in the Blues, but even with the loss of such good men they are hopeful of victory. The Blues have six fast and heady men in Kivesall, Sweeney, Captain McRae, Word, Quarles, Bahen and Jacobs.

CADETS PREPARED FOR FIRST GAME

Lexington, Va., September 25.—The first game of the season at the Virginia Military Institute will be on the home grounds with Hampden-Sidney College Saturday afternoon. The coaches have, no doubt, made up their minds as to what the line-up will be, but as yet have made nothing public. The exact line-up will probably not be definitely known until Friday. All of this week the practices have been most satisfactory to the corps of coaches. The men have reported in large numbers, and the work has gone on with unusual snap. Foster Witt, of Richmond, left to-day, after spending most of the week helping with the cadets. Back of Witt are Winchester, and Tom Poague, of Norfolk, are still on the grounds doing good work. Coach Randolph, who has rendered such valuable service to the team, returned on Wednesday, after several days' absence, and was hard at work with one of the squads on Thursday. Everything has moved along so smoothly that the coaches have every confidence as to the outcome of the game with Hampden-Sidney on Saturday.

MEDICOS LEAVE FOR LEXINGTON

Will Tackle Washington and Lee To-Morrow—Gloom Prevails in Camp.

The Medical College of Virginia football squad, twenty-five strong, under Head Coach Johns and Manager Farrar, leaves to-night on a special coach for Lexington, where they will tackle the Washington and Lee University eleven to-morrow.

Coach Johns is not at all optimistic over the prospects in this game on account of several weaknesses that have developed in his line in the past week. The men that he had depended on to fill in at Hedgepeth's tackles have failed to show the proper class, and as a result the scrimmage practice this week has been ragged and disappointing. In yesterday's practice Big Tom Hardy, the varsity's husky full back, was shifted to the tackle position. Foster taking his place behind the line while Ransome went to right end. This change seemed to develop better than any yet tried, but is far from what the coaches hope to develop before the season is much further advanced. Phipps, who was beginning to show some traces of class, got his ankle injured and will be out of the game for several days, while White, one of the most dependable half backs and best punter on the squad, is out of the game with a bad knee. Seymour, who is taking his place at left half, is developing a much-needed snap for his teammates to play up to, but unfortunately he cannot punt.

In spite of the short time devoted to practice and the injuries of some much-needed men, the following will probably make a creditable showing to-morrow at Lexington: Hardy, Seymour, Tyler, Futrell, Brockwell, Robertson, Ransome, Hyatt, Foster, Reimann, Collier, Hollenbeck, White, Ozlin, Walker, Phipps, Broadus, Daly.

INVINCIBLES WILL PLAY SECOND TEAM

The fast Invincibles will journey to Ashland Saturday to play the second team of the Randolph-Macon College. A large squad will be taken, and it is hoped that a bunch of rooters will go to cheer the local boys on. Coach Roblee is very much pleased with the showing the team has made in the past week. Dudley, Hoover, Quarles and Pickle Forbes are showing up well, and will be heard from this season. The team had a setback this week on account of Charles Word, captain, leaving the team and going with the Blues.

Coach Roblee hasn't picked the team yet, but the following men will most likely be seen in the game Saturday: Ends, Ruskell, King and Vaughan; Lloyd; tackles, Rogerson, Hoover, Quarles and Lichtenstein; guards, Miller, Elmore, Dudley and L. Garrett; center, C. Garrett; quarter back, O'Keefe; halves, Brumbrel, Montgomery, and fullback, Forbes.

Local Gridiron Notes By "Prep."

The Invincibles have not as yet had a good workout. Those out for practice yesterday were Vaughn-Lloyd, Quarles, Rogerson, Montgomery, Lichtenstein, Bromble, Garrett, Ruscoe and O'Keefe, and the men show up well in football togs.

It is thought that the Medical College of Virginia has made a find in Futrell as a quarter back. He is showing up well, calls the signals short, snappy and distinct. He is fast on his feet and weighs about 140 pounds.

White, Justice and Hardy are also doing well in the back field for the Medicos.

Yesterday was a strenuous practice day for the Medicos, as they are getting ready to pull out for Lexington.

Ransome, who last year was held back on account of his weight, and who made a sub, is making good at end this year for the Medical College.

Taylor, who played center for Richmond College in 1911, and who played that position in 1912 for the University College of Medicine, is making good at center for the Medicos.

Three of Richmond College's letter men were out to see the team practice yesterday—Decker, 1911; Davis, 1910, and Duval, of 1912.

The Richmond College football team will play William and Mary at Horwitz Park, Newport News, Saturday, November 8.

At Columbus: Columbus, 5-4; Kansas City, 8-8. (Second game, six innings; darkness.)

At Indianapolis: Indianapolis, 1; Milwaukee, 2.
At Toledo: Toledo, 5; Minneapolis, 4.
At Louisville: Louisville, 16; St. Paul, 6.

WORLD'S RECORD BY PETER VOLO

Driven by Tom Murphy, Colt Goes First Heat in 2:06 3/4.

Columbus, O., September 25.—The two-year-old colt Peter Volo, driven by Tom Murphy, established a new world's record for his age in winning the Horse Review Futurity for two-year-olds this afternoon, trotting the first heat in 2:06 1/4, and coming back the second time in 2:07. The best previous record for a two-year-old was the 2:07 3/4 of Native Belle in the Kentucky Futurity four years ago. Murphy also driving the filly, when she established the record. Peter Volo was \$50 to \$20 favorite over the field for the race. The free-for-all pace was hotly contested, and was won by Braden Direct, which set the season's pacing record at 2:01 1/2 when he won the second heat. The 2:07 3/4 stake for trotters was won in straight heats by the favorite, Robert Milrol, which took a new record of 2:06 3/4 in the third heat. Summary:

CAROLINA A. & M. HOLDS SCRIMMAGE

West Raleigh, N. C., September 25.—The coaches have weeded the A. & M. football squad down to the required number, and about thirty-five of the best men who reported for practice at the beginning of the year are working hard every day and are in pretty good shape to start the season.

SOLAR STAR WINS FEATURE EVENT

Louisville, Ky., September 25.—The third day of the Douglas Park fall meeting was characterized by ideal weather, a lightning fast track and a very good attendance. Speculation on all events was lively. A purse race at one mile served as the stellar attraction, and it resulted in a clever victory for Webber & Ward's Solar Star. The winner, however, had to be hard ridden to stall off the desperate drive of clubs. Buck Keegan, paying good odds, managed to win the opening dash. Gypsy Love had to be hard ridden to win the second race from Anytime, the favorite. Oakland, at 8 to 1, scored a handy victory in the third, while Bittra, a long shot, brought up one turned up when Candy Box drove home in front of his field in the fifth race. Coy, the favorite, was never conspicuous.

EXPECT TO WIN MARATHON RACE

The way the J. M. A. C. speed boys are going they will give the other teams in the Modified Marathon a hard run for first honors. The club had a setback when Genry, who is expected to star in track work this year, bruised his foot to such extent that it will be doubtful if he will be able to run in the Marathon. However, the treatment it with the hopes of getting it in shape. At present he is in fine fettle, and has gone the route with ease, and the time made was remarkable. The Speed Boys, as they are known, are expecting big things of Dave Satterfield, last year's star track and basketball man, and he, too, is in fine shape, and will be in the race from the tap of the gong. He is running the course twice a week, and the way he finishes it would seem that he was sprinting in the hundred-yard dash.

HIGH SCHOOL IS TO MEET CHESTER TEAM

John Marshall's Eleven Will Receive First Baptism in Game This Afternoon.

The local prep school football season will open this afternoon when the John Marshall High School's eleven clashes with the fast Chester High School team at Broad Street Park, the game beginning at 3:30 o'clock.

Coach Simpson has been running the public school lads through a brisk week's practice, and seems very well satisfied with the prospects for another championship team. While not stating so definitely, he fully expects his charges to "bring home the bacon" in this afternoon's fracas.

It is quite probable that every member of the squad will be given a thorough workout this afternoon as Coach Simpson is very anxious to start the wedding out process, and is determined to get rid of the excess baggage so that he can begin to whip his team into shape for the first championship game with Benedictine College on October 16. As the rivalry between the Cadets and the Marshallites is very keen, this game should prove one of the most thrilling and hard-fought games of the season.

"Skinny" Wood and "Stump" Owens are having a battle royal over the quarterback position, with the honors nearly even, though it is not probable that Owens will be shifted to half back. "Mac" Cosby, the one veteran in the backfield, will play left half again this season, with "Big Boy" Atkinson, last year's star center, at full back. Braddy, of last year's second team, will play center if the program is followed out.

The local warriors will probably line-up as follows: Brumbrel, left end; Rian in the backfield, will play left guard; Bradberry, center; Sales, right end; Turner, right tackle; Paterson, right guard; Wood, quarter back; Cosby, left half back; Owens, right half back; Atkinson, full back.

HUNTING DOGS TO BE FEATURE

One of the features of the State Fair will be the dog show, under the auspices of the American Kennel Club. To Virginia sportsmen, the hunting dog classes will be especially interesting. M. D. Hart, of Ashland, will show one of the late John S. Wise's famous strains of setters. "This dog is a lineal descendant of John Wise's old 'Diomed.' Captain Wise loved and understood a dog as few men do and his story of 'Diomed' is truly a masterpiece.

Polk Miller, Colonel Wilson, Miles Cary and many of Captain Wise's hunting companions will feel like taking this old dog in their arms because of his old master. He is seven years old and is still a magnificent quail dog, having a splendid nose and is choked full of 'bird sense.'

Mr. Hart, in whose keeping 'Diomed' has been placed by his friend, Colonel Jennings C. Wise, says he is showing the dog because he wishes the younger generation of Virginia sportsmen to see this famous strain and also because the late Captain John S. Wise was one of, if not the greatest bird-dog specialist, and authorities Virginia every produced, and this dog is the Wise type of a shooting dog.
